

# Dashboard For All Tally Users

## Business Requirement

- ❖ Decision makers in today's competitive business environment need a bird's eye view of critical management information at their fingertips.

### With Tally As-is

- ❖ Information needs to be extracted from different reports
- ❖ Some information may not be readily available in any default Tally report and hence needs to be manually calculated.

### With RJ Dashboard

- ❖ Get a snapshot of critical information at a click of a button without having to navigate through menus and reports
- ❖ Key decision supporting indicators which gives you a bird's eye view of your company
