

Dashboard For All Tally Users

Business Requirement

- ❖ Decision makers in today's competitive business environment need a bird's eye view of critical management information at their fingertips.

With Tally As-is

- ❖ Information needs to be extracted from different reports
- ❖ Some information may not be readily available in any default Tally report

With RJ Dashboard

- ❖ Get the required information at a click of a button without having to navigate through menus and reports
- ❖ Drill down into the details

From the Gateway of Tally, click the button "RJ DashBoard"

Gets information like your bank and cash balances including the post dated (PD) cheques as well as your due receivables and payables. "Payments Due" and "Receipts Due" columns show the PD cheques due for clearing as of the current date.
